1996 Mitsubishi FTO P782 AWY. The Mitsubishi FTO is a very unusual car to spot on the streets of the UK now, particularly in standard form. Along similar lines to Toyota's Celica, this sporty little coupe is one of those cars that looks very rear wheel drive but isn't. Originally destined only for the Japanese market, they were eventually ...

After that, only very minor modifications were made to the car and in September the sales stopped. Due to it being too costly to adopt the FTO to the new safety regulations introduced around that time, it was not possible to keep selling the car. In total 38,028 units have been produced at Mitsubishi's Mizushima plant.
